

# IOD ICD -10 FREE POWER HOUR

## ARE YOU PREPARED?

### The ICD -10 Conversion is coming October 1, 2013

Ensure your staff is ready! Attend IOD's "ICD-10-CM/PCS" Power Hour; preparation for the transition is the key to success!

IOD's coding experts have a proven history of successfully training HIM Departments through our "Power Hour" educational sessions. Prepare your staff for the challenges that lie ahead as they gain knowledge and expertise from our Certified ICD-10 Training Leader.

#### Meet our Training Leader:

Kim Felix, RHIA, CCS, AHIMA Certified ICD-10 Trainer

Kim's 20 years of experience includes Lead Coder at The University of Pennsylvania Health System and managing coding operations for Universal Health Services (UHS). Her education experience includes adjunct faculty at Gwynedd-Mercy College and Study Mentor for Health Informatics Program at Western Governors University.
