FREE INTRODUCTION TO ICD-10

Preparation for the transition to ICD-10 is imperative, and **The IOD Learning Institute** has the plan to ensure your team's success.

Open to all HIM Directors, Coding Managers and their respective teams, this ICD-10 Overview is a free, self-guided online course that covers:

- » **Reasons for the Transition**
- » **Comparison of ICD-9 to ICD-10**
- » **Costs**
- » **Productivity Losses**
- » **Financial Impact**
- » **Required Training**
- » **Preparations**
- » **Training Plans**

IOD has helped coders nationwide prepare for ICD-10, and has a proven history of successfully training HIM Departments.

This program has been approved for one continuing education unit for use in fulfilling the continuing education requirements of the American Health Information Management Association (AHIMA).
